Expedia Extras offers are per stateroom and apply to new bookings only, are not combinable with any other offer, are capacity controlled and may be withdrawn at any time. Additional restrictions may apply.

# SWING THRU ALASKA 2020

## The Destinations You'll Explore

### VANCOUVER, BRITISH COLUMBIA

After the National Convention at the Sheraton Guildford in Surrey, BC, board your luxury coach to the beautiful Canada Place Pier in Vancouver where you'll embark on your home for the week, the spectacular, Celebrity Eclipse

### INSIDE PASSAGE, ALASKA (SCENIC CRUISING)

You'll sail beyond the Inside Passage into the more protected Alaska Inside Passage. Home to diverse wildlife—orca, mountain goats, bald eagles, bears, puffins, sea otters and more—the complex labyrinth of fjords and bays are where whales and sea lions find refuge during the summer months.

### ICY STRAIT, ALASKA

Surrounded by towering rainforest, Icy Strait Point is a destination that offers unparalleled access to adventure, wilderness, wildlife, and genuine Native Tlingit hospitality. Icy Strait Point features 20+ exciting tours, a restored 1912 Alaska salmon cannery and museum, nature trails, restaurants, 100% Alaskan-owned retail shops, and even a beach! When you arrive at Icy Strait Point, you will immediately find yourself immersed in the Alaska that you've always dreamed of.

### HUBBARD GLACIER, ALASKA (SCENIC CRUISING)

Hubbard Glacier is the largest calving glacier on the North American continent. The glacier routinely calves off icebergs as high as 10-story buildings, sending massive blocks of ice into the sea every few minutes.

### JUNEAU, ALASKA

Juneau, Alaska's remote capital, sits in the state's panhandle, at the base of 3,819-ft. Mount Roberts. A tram carries visitors 1,800 feet up Mount Roberts to an alpine area with hiking trails, wildflowers and views of Gastineau Channel. Uncovering authentic local finds and having experiences that make you feel like you've really connected with a place are important elements in ensuring an extraordinary vacation.

### KETCHIKAN, ALASKA

Ketchikan is an Alaskan city facing the Inside Passage, a popular cruise route along the state's southeastern coast. It's known for its many Native American totem poles, on display throughout town. Nearby Misty Fiords National Monument is a glacier-carved wilderness featuring snowcapped mountains, waterfalls and salmon spawning streams. It's also home to rich wildlife including black bears, wolves and bald eagles.

### INSIDE PASSAGE, ALASKA (SCENIC CRUISING)

You'll never forget the sight of 40-ton whales hurling themselves into the air, almost completely escaping the water. If you're especially lucky, you could see them swimming together to create a bubble net, trapping and eating fish by the giant mouthful.

### VANCOUVER, BRITISH COLUMBIA

Your cruise ends back in the beautiful city of Vancouver where you'll board your luxury coach to the Vancouver Airport or back to the Sheraton Guildford in Surrey. Not quite ready for this journey to end? Extend your stay by exploring the interior regions of British Columbia and Alberta aboard the Rocky Mountaineer train. Ask us for more details about this option.
